

Cherokee County School District Digital Learners

A Digital Learner...

- Connects with teachers and the school
- Seeks clarity on digital learning expectations
- Creates a good learning environment at home limiting distractions
- Reviews the weekly calendar each day for each class
- Sets a daily schedule and routine which includes checking each class for teacher communication
- Is prepared and ready to learn
- Engages in all parts of the learning experience
- Actively attend pre-recorded and live teacher-led sessions
- Submits **authentic** student-completed/created work
- Seeks help if you have questions or misconceptions
- Communicates with teacher about missing/incomplete assignments
- Participates in optional remediation and help sessions, if needed
- Incorporates **brain breaks**, eats well, and gets exercise
- Continues to seek ways to engage in hobbies, sports, and extracurricular activities for balance
